

GORSETH KERNOW

The Cornish Gorsedd
what it is and what it does

Gorseth Kernow/The Cornish Gorsedd: what it is and what it does By Rod Lyon

This year marks the 80th anniversary of Gorseth Kernow and sees the publication of a booklet which looks at the organisation from the inside.

As well as describing its origins in early Britain and Wales, Rod Lyon looks at its ceremonies and regalia and explores the impact of key figures such as Henry Jenner and Robert Morton Nance.

He explains, too, how Gorseth Kernow has changed over the years and how it sees its role in 21st-century Cornwall and across the Cornish diaspora.

Lavishly illustrated with many previously unseen photographs, Gorseth Kernow/The Cornish Gorsedd also contains handy lists of Grand Bards, Deputy Grand Bards and Gorsedd sites.

Gorseth Kernow/The Cornish Gorsedd: what it is and what it does. ISBN 978-1-903668-04-7
